Dear Region Authority, Inc.:

Thank you for your thoughtful contribution of 100 face mask and 1000 ear loop hospital grade mask to Shriners Hospital for Children®, for its Philadelphia location.

***Your support is bridging the gap of access to treatment for so many families in need of our specialized orthopaedic care.*** No child or parent should have to worry that they may not have the means for receiving help in order to start life with a healthy foundation, which is why at the Philadelphia Shriners Hospitals for Children all pediatric care is provided regardless of a family's ability to pay.

Because of you, thousands of children in our community facing similar struggles have the chance to enjoy the simple pleasures of just being a kid. Thank you for helping these families provide their children with this vital cornerstone of care for a happy and healthy future!

*During this time of national emergency, the health and safety of our patients, families, volunteers and staff is our top priority. With the evolving nature of the COVID-19 pandemic, we are closely monitoring updates and following state and federal recommendations to ensure our patients and family members are protected when visiting our facility.*

If you have any questions, please contact Geraldine Barrett Geary at 215-430-4044 or [gbarrett@shrinenet.org](mailto:gbarrett@shrinenet.org).

Sincerely,

Mario Salvati, MBA  
Director of Financial Services
