Dear Shuayb,

Thank you so much for Region Authority Corporation's extraordinary gift of 1,000 face masks and 1,000 gloves in support of our COVID-19 emergency relief at Harlem Children's Zone. Your support ensures that we can continue to show the transformational potential of our place-based approach to fighting generational poverty. As we prepare for the future, amidst the global COVID-19 crisis, I am especially grateful for your generosity as we serve as a beacon of hope and light for our community.

During these uncertain and unsettling times, our children and families in Central Harlem need us more than ever. Our staff remains true to our mission, doing whatever it takes to ensure that our students are receiving the necessary tools for their continued learning and that all in the Zone are safe, nourished, and cared for.

More than ever, I am so grateful for your partnership as we walk hand in hand with our 28,000 children and families. Our vision for HCZ has never been more meaningful than it is now, and we are committed to making sure our community remains resilient, unified and courageous. Thank you for your support.

Stay well and safe.

Sincerely,

Jenn Klein  
Chief Development Officer
