Dear Mr. Greenaway,

The *Prince William County Community Foundation, Inc.* thanks you for your donation of plastic face shields and masks through your generous donation to the Prince William County Alumnae Chapter of Delta Sigma Theta Sorority, Inc. Our mission is to help the residents in our community have a better quality of life. One of our major initiatives is our Combating Hunger on Wheels (C.H.O.W.) Initiative where it is our goal to help eradicate childhood hunger in our community. Every day, one in six children in the U.S. go hungry because there is not enough adequate food to sustain them. During this current COVID-19 pandemic, we are seeing more children and families who need assistance. Our Foundation is on the front lines working hard to ensure that no child or family in our community goes hungry!

It is individual donations such as yours that help us complete our mission and allow us to expand our programs, including our C.H.O.W. Wagon Initiative and other programs to help the residents. We are doing our part to make a positive impact in our community. To date, we have distributed over 1,200 bags of groceries, equating to over 8,100 meals served to children and families in our community. The face shields and masks will help ensure that our volunteers are protected from exposure to the virus.

We want to thank you again for your donation. We would also like to see what other ways our Foundation can continue to connect with you in the future. If you are available for a future meeting, we would be very appreciative. If you need additional information about the Foundation, please do not hesitate to contact us.

Sincerely,
