Dear Mr. Shuayb Greenaway:

The King of Kings Foundation is a 501 (c) 3 charitable organization that has been working with at risk youth in Jamaica, New York since 2005. The focus of our community work has shifted to help meet the needs of folks struggling with the adjustment of dealing with the new way of life do to this pandemic, COVID-19 and social distancing. We recognize the importance of all of us doing our part.

Thus on behalf of our Board of Directors we would like to take this time to thank Region Authority Corp, for partnering with our organization and supplying us with life-saving protective equipment. The shields, gloves and face masks were distributed to one of our EMS Ambulance Services and also to The Nassau Rehabilitation Nursing Center.

We truly appreciate your support and generosity. We are looking forward to continuing our partnership for 2020-21

Sincerely

Lance Feurtado
