

## **Region Authority Corporation Donates Masks and Shields in Fight Against Coronavirus**

PHILADELPHIA, 27 May 2020 - On May 23, [Region Authority Corporation \(RAC\)](#), a telecommunications infrastructure consulting, planning, training, and management firm donated protective face masks and shields to local organizations in the fight against the Coronavirus pandemic.

“In order to help keep the population safe, we have pooled our resources to get these essential items to the people who need them most,” said Shuayb Greenaway, founder and CEO of RAC.

Thanks to the generosity of Mr. Greenaway and RAC, 1,000 face masks and 180 face shields were purchased and then distributed thanks to the facilitation of Dominique Rey and Lorraine Jackson, president of the Prince William County Alumnae Chapter of Delta Sigma Theta Sorority, Inc.

1. ACTS (Action in Community Through Service)
2. The Good News Community Kitchen
3. Ebenezer Baptist Church Annie B. Rose Ministry
4. Prince William County Salvation Army
5. Woodbridge Kappa Foundation
6. Prince William County Community Foundation

Guidelines from the CDC suggest that the wearing of face masks and/or face shields can slow the spread of COVID-19, which has been deemed responsible for over 76,000 deaths in the United States. As of May 27, the death toll for Virginia 1,236 is and Prince William County is 111.

“We believe that by donating these masks we will help reduce the spread of the virus, allowing these groups to do what they do best—help others in their time of need,” Greenaway added.

### **About Region Authority Corp (RAC)**
